

TREK TO NANGA PARBAT (Fairy Meadows)

Range: Himalaya
Zone: Open
Duration: 10 Days
Best Time: Mid May - End August

Explore the mysteries of this killer mountain from the north, and polish your skills climbing spectacular Jillipers peaks North (5245m), and south (5206m), encounter Bulder Cleft (5200m), and have close view of the challenging Nanga parbat. For your future plans. Visit memorial of the German climbers killed in 1937, and explore around the base camp full of marmots, flowers and rare mountain views. The approach trek of two days passes through the lush green alpine Fairy Meadows with superb views of the north face of Nanga Parbat. Drive to Gilgit and Hunza valley on the Karakoram highway, will be along time memory, providing close views of the Karakoram giants like Rakaposhi (7788m), Diran (7237m), Ultar Sar (7388m), Golden peak (7027m), and many other above 7000m.
